Below is the draw for the first round of our new pairs tournament.

The first round will be played on **Saturday 12 May.**

The winning 10 teams will go forward to the next round, to be played on Saturday 9 June.

If any teams are unable to play on 12 May (due to holidays etc.), would you please arrange with your opponents to play your match on another date before 6th June.

If any members are not in the competition on 12 May or cannot play, as their partners/opponents are not available, please come to this event as one rink will be used for a separate "Open Drive" competition.
