Can't commit to a weekly choir? Sing Out Saturdays are the ideal solution. And it's good for you too. Lots of recent scientific studies have shown that singing in a group has enormous health and social benefits.

All songs will be taught by ear (Chris sings, you copy) and have been specially arranged for voice only: not an instrument or backing track in sight. Sessions will cover a wide range of song styles and a free recording of the session will be made available afterwards.

Chris Rowbury is based in Woodbridge where he leads The OK Chorale. He has 30 years' experience as a patient, charismatic teacher with a relaxed style laced with plenty of humour. He will get you singing in wonderful harmony in a matter of minutes!
